GENERAL INFORMATION

BUSINESS TRANSACTIONS WITH THE COMPANY

Our aim is to render a service that will be satisfactory to our customers, though difficulties will sometimes occur despite all our efforts to avoid them. On page one is shown information regarding the placing of long distance calls, securing numbers not listed in the directory, reporting telephones out of order and making emergency calls. Other matters, including business transactions, should be taken up with the business office either by telephone, personal visit or letter.

BUSINESS OFFICE

36 Probart Street, Brevard, North Carolina, Telephone TUrner-3-1511

SERVICE APPLICATIONS, CHANGES AND DISCONTINUANCES

Applications for new service, changes, additions and discontinuances of service should be handled through our business office. A telephone call will, in almost every case, enable you to transact business promptly and satisfactorily.

BILLS AND PAYMENTS

Bills are rendered on the 1st of each month, for local service in advance, for a one-month period from date of bill, and for long distance service for a one-month period to the 20th of the month preceding the month the bill is rendered for local service. Bills may be paid by mail or in person at our business office, 36 Probart Street, Brevard, North Carolina.

TARIFFS

Tariffs which show rates, rules and regulations for telephone service and facilities are on file with the North Carolina Utilities Commission, and are available for public inspection at our business office.

TELEPHONE NUMBERS

The subscriber has no property right in the telephone number, and the Company reserves the right to change the call number or the central office designation associated with such number whenever it is deemed desirable in the conduct of its business.

MAINTENANCE

All ordinary expense of maintenance and repair, unless otherwise specified in the Company's schedules, is to be borne by the Company. If any instrument or piece of apparatus is destroyed or injured, otherwise than by unavoidable accident, the subscriber is to pay the actual cost of replacing or restoring the same to its original condition.

ATTACHMENTS TO TELEPHONES

To render satisfactory service, it is important that the Telephone Company furnish and maintain all apparatus and equipment connected with its lines. Except as provided in the tariffs, no line, instrument, appliance or apparatus not furnished by the Telephone Company shall be connected with, attached to or in any way used in connection with facilities of the Telephone Company.

INTERRUPTION OF SERVICE

If the service is interrupted, otherwise than by negligence or wilful act of the subscriber, the only liability of the Company shall be to abate charges during the period such interruption continues, after forty-eight (48) hours' written notice thereof to the Company.

RESPONSIBILITY FOR MESSAGES

Subscribers are responsible for all charges for messages originating from or reversed to their telephones.

TELEPHONE DIRECTORIES

Loss of time and inconvenience by calling wrong numbers can be avoided if you consult the current directory before placing a call.

Between directory issues certain numbers do not appear in the current directory due to changes and new installations. These numbers may be secured by calling "Information".

The use of any auxiliary covers, tabs, stickers, inserts or other matter in connection with telephone directories, without the consent of the Telephone Company, is prohibited.

Every effort is made to have listings absolutely correct. However, this Company is not liable for damages arising from errors or omissions in free listings. Its liability in the case of paid listings shall not exceed the charge for such listings during the life of this directory.

TELEGRAMS BY TELEPHONE

Telegrams may be transmitted to and received from the telegraph office by telephone. To send a telegram or cablegram, call Western Union Telegraph Company, TUrner 3-1411. By arrangements with the Telegraph Company, any telephone subscriber may have charges for messages received or sent by telegraph charged to his telephone and collected with his telephone bill.

INSTRUCTIONS FOR USING THE DIAL TELEPHONE IN BREVARD – ROSMAN, NORTH CAROLINA

OBTAIN THE CORRECT NUMBER FROM THE DIRECTORY

Before making a call, make sure you have the correct number as listed in the current telephone directory. If the person, or firm, is not listed, dial "113" and ask "Information" for the number.

LISTEN FOR THE DIAL TONE

Remove the receiver and listen for the "Dial Tone". The "Dial Tone" is a steady humming sound which will be heard as soon as the equipment is ready for the call. DO NOT BEGIN TO DIAL BEFORE YOU HEAR THIS TONE.

DIALING INSTRUCTIONS FOR ROSMAN EXCHANGE

In order to place a call from the Rosman exchange to the Brevard Exchange or visa versa dial as follows:

To call Rosman from Brevard dial 114 then dial the Rosman number as listed. If the number is not listed, the correct number can be obtained by dialing "Information", 113.

To call Brevard from Rosman dial 88 then dial the Brevard number as listed. If the number is not listed, the correct number can be obtained by dialing 88 then dialing "Information" 113.

If a Rosman subscriber wishes to report a telephone out of order dial 88 then dial "Repair Service", 112.

If a Rosman subscriber wishes to place a long distance call (which would be any call outside the Rosman or Brevard Exchanges) dial "Operator" on the dial and place the call. When passing your number to the long distance operator be sure to tell her "UNion" along with the number. "UNion" (or the name prefix of your number) is a definite part of your number and should always be listed on any stationery, advertising materials, and etc.

"RINGING" AND "BUSY" SIGNAL

Within a few seconds after you have completed the dialing, either the ringing signal or the busy signal should be heard.

The ringing signal is a faint, intermittent "burring" sound which indicates the bell of the called telephone is ringing. If, after hearing the signal repeated for a reasonable length of time, you obtain no answer, hang up your receiver and call again later.

The busy signal is a rapid "buzz-buzz-buzz" sound and is heard when the line you are calling is in use. When you hear the busy signal, hang up your receiver and call again later.

If you do not hear either the busy signal or the ringing signal, replace the receiver a few seconds and try the call again. If, after several attempts you do not hear either the busy or ringing signal, dial "112" and explain the condition to the operator.

REPLACE THE RECEIVER AFTER YOU HAVE FINISHED EACH CALL

The dial service connection is controlled by the calling subscriber. The equipment is restored to normal when the calling subscriber replaces the receiver on the telephone.

If a second call is desired, it can be made after the receiver has been replaced for a few seconds.

SPECIAL INSTRUCTIONS FOR CALLING ANOTHER PARTY ON YOUR PARTY LINE

If you wish to call a subscriber who is on the same party line as yourself, dial his number as it is listed in the directory. If the first four digits of the party's number you wish to call is the same as the first four digits of your number, then he is on the same party line as yourself. For example, TUrner-2-1231 and TUrner-2-1232 are on the same line. When you have finished dialing the subscriber's number, you will hear the busy signal. Now replace your receiver for a few seconds in order to permit the called party's telephone to ring. Then remove your receiver and after the called party answers start your conversation. If the called party does not answer, replace your receiver and this will clear your line.

If you require any assistance in the operation of your new dial system, stop by the Business Office for a personal demonstration, or the Telephone Company will be glad to send a representative to your home to give you any assistance you desire.

A vital factor in the highly specialized work of providing dependable, low cost telephone service is that telephone supervisors—foremen, wire chiefs, chief operators, managers—start at the bottom. Every part of your service is managed by men and women whose judgment and decisions are based on experience with the job.

THE VOICE WITH A SMILE

Every day many pleasant voices go over the telephone—many, many thousands of them. It seems the number is growing all the time. The reason for this is that most people realize the social and business value of "The Voice With A Smile."

Venetian Blinds

ALL-FLEXALUM VENETIAN BLINDS

Only All-FLEXALUM venetian blinds have "spring-tempered" aluminum slats, "wipe clean" plastic tapes, slim nylon cords, "whisper quiet" operation. Custom made; completely color matched or over 192 color combinations. Exclusive decorating advantages.
